This publication provides you the information about the advantages of innovation and current status of the different type of ongoing research work in the world. NEWREDMARS EDUCATION is a truly independent organization. Our focus is to provide excellent new innovative concept in a different subject including full courses (PPT/thesis/scientific survey report/major research project/minor research project format etc), short symposia, Visiting Professor Programs, ongoing social project work and a new fellowship program currently in development.

The organization encourages you to take advantages of benefits exclusively available for lifetime members. The lifetime membership form is only accepted from the government or private registered organizations and its employees or retired persons. The membership will be terminated immediately if a person is found to be involved in violence and terror activity. If you have any questions, please don't hesitate to contact the director, NEWREDMARS EDUCATION PVT LTD, director@newredmars.com, or our Membership Committee. It will be a pleasure to have you as a member of our organization.

As a Life Member, you'll enjoy many benefits, including:

- An ongoing research project of the company.
- Discounts on Minor research project/major research project/PPT products, seminars, and services;
- Opportunity to belong to Advisor board member
- Free registration for different type of Conference & Exposition
